Dear Simon,

Thank you for the additional documents; the majority seem satisfactory but please may the applicant confirm whether the root membrane also acts as the visible deter-to-dig membrane (as per Geo-Environmental's RSVP) across this area of the site?

Many thanks,

Kate.

Hi Simon,

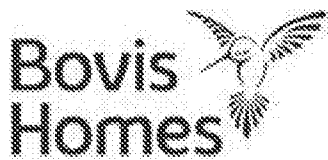

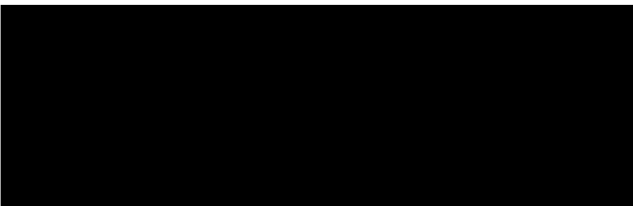

Please see link below for the transfer tickets. Please note that the link will expire in 7 days.

<https://we.tl/t-7Z3nGnGhgR>

I have also attached the Completion Report which shows the membrane installation on page 15 and evidence of imported material on page 19.

Kind regards,

Natalie Bond
