Dear Simon

Please find attached revised details of the Construction Management Plan addressing issues raised by WSCC Highways on 07/01/2019. The details include:

- Offsite routing plan
- Plan showing hoarding adjacent to the main access that is clearly set back to prevent impact on access and visibility
- Parking of vehicles details (delivery, operatives and visitors vehicles)
- Provision of wheel-washing facilities
- Details of public engagement

The submitted details are considered to fully address the issues raised to allow for the discharge of condition 13.

Kind regards,

Ralph Chakadya
Planner
