Dear Miss Whishaw,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
Approval of details reserved by condition 21-Energy Statement & 22-Broadband Provision Statement
following Y/13/18/PL.
Street Buildings North End Road Yapton

Notification regarding the above application:

Condition Number 22

Prior to the commencement of development, a strategy for the provision of the highest available headline speed of broadband provision to future occupants of the site shall be submitted to and approved in writing by the Local Planning Authority. The strategy shall take into account the timetable for the delivery of 'superfast broadband' (defined as having a headline access speed of 24Mb or more) in the vicinity of the site (to the extent that such information is available). The strategy shall seek to ensure that upon occupation of a dwelling, the provision of the highest available headline speed of broadband service to that dwelling from a site-wide network is in place and provided as part of the initial highway works and in the construction of frontage thresholds to dwellings that abut the highway. Unless evidence is put forward and agreed in writing by the Local Planning Authority that technological advances for the provision of a broadband service for the majority of potential customers will no longer necessitate below ground infrastructure, the development of the site shall be carried out in accordance with the approved strategy.

Reason: To safeguard the amenities of residents in accordance with Policy 7 of the Arun District Local Plan. It is considered necessary for this to be a pre-commencement condition because the provision of broadband needs to be incorporated into the design for the site.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

The discharge of this condition (22) is approved in accordance with the following document/s:

- Broadband Provision Strategy (dated September 2020) including Appendix A Letter from Hyperoptic

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
