Dear James/David,

We have this application for determination. It was submitted by Kate Little back in July and proposed a change to the wording of the foul drainage condition. It is due today but I won't be able to write it up until next week.

However, we discharged the foul drainage condition in question based on the existing wording through Y/112/21/DOC as issued yesterday. Therefore, do you still require this application Y/102/21/PL to be determined? If not then perhaps it can be withdrawn and I would be grateful for your confirmation.

Kind Regards
