Dear Simon,

Planning Application for Single Chapel Crematorium with car parking, landscape works, surface water drainage features and associated highway improvements

Please find submitted through the planning portal a detailed planning application for the above development following our pre application exchanges under reference: PAA/123/18/ on land at Grevatt's Lane West Bilsham.

Please note that the planning statement addresses all the concerns and issues raised in your pre-application response and technical work supports the additional information you requested.

We have assumed that the Screening Assessment submitted on 5 December 2018 will shortly confirm that an environmental impact assessment is not required in support of the application.

I do hope you have everything you need to determine application but should you require further information please let me know.

Yours sincerely

Lisa Jackson MA BSc MRTPI
