Mr S Davis

11th February 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Single Chapel Crematorium with car parking, landscape works, surface water drainage features & associated highway improvements. This application is a Departure from the Development Plan.

10 Acre Field North of Grevatts Lane Yapton

Thank you for your internet representation made on 11th February 2019 which has been recorded as '**an objection**' with the comments as follows:

I object to this planning application on the following grounds 1 It will cause problems to free flowing traffic on the main A259 and could possibly cause accidents with faster cars having to over take funeral corteges.

2 There are other crematoriums in the surrounding area which are not being used to maximum capacity.

3 It would be a loss of green belt to the area which could have an effect on wild life in the area.

4 pollution in the area will rise with the burning process (CO2 EMISSIONS)plus the extra vehicles moving at slower pace will only lead to higher CO2 emission's around the local area.

The actual building of the building and alterations to the road will also increase the CO2 emission's.

5 Alterations to the main road A259 will be required to allow cars in and out of the crematorium thus slowing the road down with the effect to other businesses within the area which depend on the road to transport equipment from one another

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this

does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
