Dear Mr Crowther

Re Planning Application Y/103/18/PL

We would be grateful if you would consider the points listed below as our strong objection to the proposed planning application.

- This is a departure from the development plan on "Green Belt Land" and it opens the door to further development.
- We do not feel that a mix of funeral related traffic and farm vehicles which regularly use this area would be safe.
- It would generate more access from either Yapton Road or Grevatts Lane onto an already very busy and dangerous junction to the A259.
- Bilsham Road residents use this as a safe pedestrian access to Yapton village and many of us are also dog owners who daily use this area to walk our dogs.
- There is no need for a crematorium in this area, this is proven with "Mercia Crematoria" application, which was rejected. We are adequately catered for by either Findon or Chichester Crematoriums.

Yours sincerely

Mr T L Nudds

Mrs G H Nudds
