Dear Sir/Madam

Re: LANDLINK ESTATES Y/103/18/PL

The A259 is totally unsuitable for a crematorium and its traffic. A crematorium should not be situated on the busy A259 coastal road.

The A259 "cyclepath" from Bognor to Littlehampton is well-used for walking and cycling, which they do in safety at the moment.

Yours faithfully

V M^{rs} CUDDEN (MISS)
