Subject: Updated Plan - Application Y/103/18/PL Crematorium Proposal, Grevatts Lane West

Dear Simon

As requested by your Council the applicants have now included the provision of a specialist CPT toilet within the Crematorium building. This is shown in the revised plan attached. I would ask that you substitute this plan for the previous version. The CPT toilet is located adjacent to the standard WC in the waiting area. This would be available for visitors attending services or making return trips to visit the gardens of remembrance.

For avoidance of any doubt the applicant is willing to have a planning condition imposed that secures the full provision of a CPT toilet as indicated on the attached plan.

I hope this is clear but do let me know if you have any questions.

Kind regards,
Lisa
