Dear Mr Bell,

Appendices D-J for the Transport Statement Feb 2019 Rev 6 are on the website dated 24/06/19 under "Substitute Documents". I vaguely recall that for some reason they were originally not uploaded with the revised TS, someone noticed & informed me and this explains the difference in dates.

Kind Regards

In connection with the above which has now gone to appeal, there seems to be some missing data. On Page 10 of the list of documents, there's a revised Transport Statement Feb 2019 added 1/3/2019. That states that the full data for the pedestrians and cyclists survey is shown in Appendix G. That document only has Appendices A to C. Further on in the document list, on page 18, there are the Transport Statement Appendices D to H (copy attached), but these are the Appendices for the original Transport Statement dated December 2018 which was added 3/1/2019, and so don't include the pedestrian and cycle data.

Please advise where the updated other Appendices are, and please provide a copy.

Many thanks.

Adam Bell
