WSCC in its capacity of Local Highway Authority (LHA) has been consulted on the above application with Condition 9 relating to Highway Works. The works will require a signed Section 278 Agreement with the LHA. We understand that the applicant is currently engaging with our Implementation Team however at the time of writing the Technical Check has not been completed. On that basis the LHA would not be in a position to release Condition 9 until Technical Approval (TA) has been obtained.
