Dear Simon, thank you for your emails. I have broken down the conditions as follows:

Condition 5

Thank you for un-superseding the two plans. I can confirm that the drawing for plot 19 will be with you either today or latest Monday. Please could you confirm that this condition will be discharged in full on receipt of this drawing?

Condition 6

We note your commentary on this and have advised our client accordingly. Please see plan attached detailing the boundary treatments as elevations. I will send through the final plan (extending the timber knee rail towards the eastern side of the entrance) later today with an aim of securing partial discharge for this condition.

Condition 9

Thank you for sending through the decision notice for this condition. Please can the decision notice be amended to grant approval for plots 34 – 56 too (in addition to plots 1 – 33)?

Kind regards,
