Subject: Y/104/20/DOC - Street Buildings - CMP

Dear Tilly,

We have had Highway comments which request some changes to your CMP, these being:

- Schedule site deliveries outside times of peak traffic volume. This should be 08.00-09.00 am and 16.00 to 17.00.
- Ensuring that deliveries to site are kept to their allocated time slots.
- Avoid contractor parking in residential streets surrounding the site.
- All loaded vehicles leaving site must be sheeted.
- Ensure that there are designated walkways on and around site.

Can you amend the CMP and resubmit to me thanks.
