

Architectural elevation rendering of a row of ten houses, labeled Plot 46 to Plot 62. The houses feature various roof styles (pitched, flat, gabled) and brickwork colors (red, dark grey, white). The rendering includes cars parked on the street and people walking, set against a blue sky with birds. Below the houses, a timeline shows the sequence of plots from left to right: Plot 46, Plot 47-50, Plot 51-54, Plot 55, Plot 56, Plot 57, Plot 58, Plot 59, Plot 60, and Plot 61-62.

Architectural elevation drawing of the proposed development. The drawing shows a row of buildings along a street. From left to right, there is a detached house with a brown roof and white walls, followed by a row of terraced houses with red brick and white walls, and a row of semi-detached houses with red brick and white walls. The buildings are set back from the street by a line of trees and landscaping. The drawing is labeled with 'Site Boundary' at the top and 'Side Boundary' on the right. Below the buildings, there are labels for 'Apartments Plot 63-70', 'Apartments Plot 63-70', and 'Bans Plot 61-62'.
