Hi Sam,

Thanks for your phone message and your offer of assistance. I've now scheduled all of the work that is due before yours in my calendar and I may be able to work on your decision next week (6th September). However, if I don't achieve that or don't get it finished that day then it will not be until the 21st September that I can next work on it. The issue is just down to time/other work.

I hope that's ok.

Simon.

Hi Sam,

I'm fine thanks. The only other consultees are the Conservation Officer and our Conservation Area Advisory Committee (CAAC). Neither have responded but I do not need to chase or wait for these. I'll probably get to writing this up in late September.

Simon.

Good morning Simon,

Hope you are well?

The VoC application under reference Y/106/21/PL had finished consultation as of 26th August 2021. I have noticed no objection was received by the Yapton Parish Council however no additional consultation responses have been uploaded by other parties, therefore guessing none have been received. Are you waiting for any outstanding consultation responses and if so by whom? Apologies, you did previously mention who would be consulted on this application during previous correspondence, although it seems like an age ago!

Please do not hesitate to make contact should you have any further queries.

Kind regards
Sam
