Hi James,

Thanks for this. However, it actually occurred to me this morning that as development has already started, pre-commencement conditions are redundant so I am instead going to remove the second part (paragraph) of the condition therefore no agreement is now required.

I advised Peter Cleveland of Henry Adams of this earlier today (your [REDACTED] was copied in) as he has been speaking to me about this application and the relationship of it to Y/112/21/DOC. I should have copied you in also.

The Y/106/21/PL report has now been completed and is awaiting signoff. Regarding Y/112/21/DOC, I emailed Kate Little on 24/08/21 to advise of a small request re the drainage scheme (see attached). Do you know if this has been actioned?

Kind Regards
