Dear Maria

Thank you for your email.

We have some revised plans that we will shortly share with you which we hope address Martyn's previous comments. Shall we get them over to you and then discuss any matters that might still be outstanding?

Kind regards,
Peter

Dear Mr Cleveland,

As far as I am aware, you deal now with the applications for Stakers Farm.

I discussed your proposal with Martyn and we both are of an opinion that the conditions only would not solve the problems and some amendments should be done.

I do not know if it would be possible to discuss the case via phone call; please let me know.

All the horizontal divisions should be back in the position where they were in approved plans and the same position should be maintain within all fenestration facing to the yard. The same apply for the largest opening. The replacement of the existing door (not original) as proposed is not acceptable and it would be helpful to discuss the replacement. There some other thing that should be clarified.

Please let me know when we can discuss the case.

Kind regards

Maria
