Dear Maria,

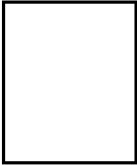

I have had confirmation that application Y/108/21/L has now been validated and is live. I have noticed that I have in error, written the description incorrectly on the application form and on the cover note. Please can the description be amended to read as follows:

Listed building consent for conversion of & alterations to existing barns to create 3 No. dwellings, erection of car barns & stores, a replacement pump house, demolition of barn, associated landscaping & parking. (amendment to Y/106/19/L).

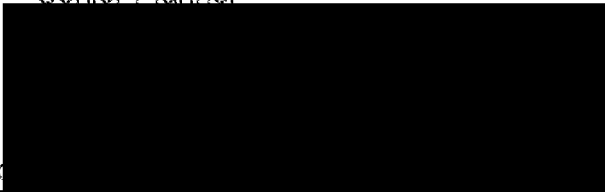

The current description includes a new garage to serve existing dwelling which is actually being addressed via a householder and listed building application, currently awaiting validation (Y/109/21/HH and Y/110/21/L). I have attached the cover note which has been updated accordingly.

If you could please let me know whether this is possible.

With Kind Regards,
Ellie
