Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/10/22/PL
Site Address: Land to the south of Ford Lane and east of North End Road Yapton BN18 0DS
Description of works: Erection of 15 No dwellings (including 4 No affordable units) with associated access, parking, landscaping, drainage and public open space (additional units to those approved under application Y/123/21/PL). This application may affect the setting of a listed building, affects the character & appearance of the Church Lane Conservation area, affects a Public Right of Way and is in CIL Zone 2 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 4th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46185

I understood that the site for this application was designated as an area for leisure for the new residents of this large, dense housing development. The area was the subject of many letters of objection, refusals by the Council and court cases resulting in houses being built on prime farmland. In mitigation it was agreed that there would be a little space for recreation and enjoyment, particularly as it is so close to a Conservation Area and the beautiful old Church. An area planted with trees to help reduce the carbon footprint and with a natural space to encourage the much-disturbed wildlife would protect and enhance the environment for us all. I strongly object to these extra houses.

Your views as made above will be considered before the application is determined.
