Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/10/22/PL
Site Address: Land to the south of Ford Lane and east of North End Road Yapton BN18 0DS
Description of works: Erection of 15 No dwellings (including 4 No affordable units) with associated access, parking, landscaping, drainage and public open space (additional units to those approved under application Y/123/21/PL). This application may affect the setting of a listed building, affects the character & appearance of the Church Lane Conservation area, affects a Public Right of Way and is in CIL Zone 2 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 5th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46196

I object to this proposal for the following reasons.

A key factor in the original approval to develop this green field site was to ensure the provision of a strategic gap on the southern side of the plot, adjacent to the Church Lane conservation area, in order to protect the historic setting of this part of old Yapton. Church Lane contains 4 Grade II listed houses as well as the 12th century Grade I listed church of St Mary. The strategic gap agreed was essential to providing a buffer space to prevent the new development spoiling the historic setting and to preserve some of the rapidly disappearing rural character of the village.

In addition filling this gap with 15 new homes plus an access road and turning space will adversely impact the footpath that runs in a NW direction from Church Lane up to Ford Lane.

Your views as made above will be considered before the application is determined.
