Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/10/22/PL
Site Address: Land to the south of Ford Lane and east of North End Road Yapton BN18 0DS
Description of works: Erection of 15 No dwellings (including 4 No affordable units) with associated access, parking, landscaping, drainage and public open space (additional units to those approved under application Y/123/21/PL). This application may affect the setting of a listed building, affects the character & appearance of the Church Lane Conservation area, affects a Public Right of Way and is in CIL Zone 2 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 5th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46264

I strongly object to this proposal for the following reasons :

The original housing plan went to public appeal twice and was finally agreed on 'up to 100' houses so how can you now be allowed to squeeze 15 extra houses in? The green corridor was designed strategically to protect the conservation area and retain some of the rural space that is needed for a development of this size and the current local population.

My house backs directly onto this site and it makes me very concerned about potential risks of flooding. No infrastructure has been put in place and our roads are already horrendously busy.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
