Dear Sirs,

Please find attached application for the discharge of condition as noted above. Supporting documents relating to the planning decisions are attached and the fee of £50.00 (as noted from Arun DC website schedule of charges) for monitoring per individual condition will be paid by credit card today. I have also attached a revised planting scheme and plan for your approval. Planting has commenced onsite, albeit a little later than hoped due to the late start to the planting season this year.

Please do not hesitate to contact me if anything is unclear or if you require further information.

Yours faithfully

Andrew Mason
