Hello Dawn

Very many thanks for your reply and confirm that the requirement is to vary Condition 2 (plan condition) and Condition 4 (window condition) please.

Regarding the existing house front and rear elevations, the Street Scene drawing 233-11A shows full front elevation of both existing approved and proposed of extension and Mayfield House.

Will do the same for the rear elevations – perhaps change title of 11A !! – will ensure done before you return from holiday.

Do appreciate the assistance from both of you this morning.

Enjoy your break

Kind regards

Richard

Richard,

Further to all of the emails and discussions concerning the above, it has been decided that you can vary condition 2 (plans condition) and 4 (window condition).

Can you please email me to say you wish to vary conditions 2 and 4 and not 3.

I will also need the proposed front and rear elevations to show more of the house.

I am on leave from noon today and will be back on 6th January 2020 so this will not be taken care of until I return from leave.

Hope that makes sense.

Thanks,
Daun

Mr Hollands,

I have just started to validate the above application.

Unfortunately, Mr Vick has determined that a new planning application will be needed in this instance.

I have closed the file and a refund of £234.00 will be done in due course.

If you have any questions, please let me know.

Thank you,
Mrs Johnson
