6. How we calculated this figure

We calculated this figure from the following information:

Dev. Type CIL Rate £	Floorspace m2	TPI Used	Calculated Date	CIL Amount

For further information, please see the Ministry for Housing, Communities and Local Government's guidance: <https://www.gov.uk/guidance/community-infrastructure-levy#relief-and-exemptions>

8. When will this CIL amount be due for payment?

In accordance with Regulation 71 of the CIL Regulations 2010 (as amended), the above amount is due immediately, you will receive a separate Demand Notice alongside this Liability Notice which will provide further detail on how much and when to pay.

In light of the Covid-19 situation the government is proposing to publish temporary amendments to the CIL Regulations to allow for the relaxation of CIL enforcement processes including the deferral of CIL payments. Therefore, in light of the government's approach, the collecting authority will not apply the relevant discretionary surcharges in this instance, and will allow for your payment to be made in 3 equal instalments - **payable 60, 120 and 180 days from the date of the Demand Notice.**

Some, or the entire amount, may also be paid by transferring land to the CIL charging authority or another beneficiary agreed with the charging authority. [See the CIL guidance on Payment in kind for more information.](#)

Consequences of non payment

Failure to pay CIL liabilities in accordance with the Demand Notice may result in the collecting authority imposing surcharges, serving a CIL stop notice prohibiting further development on the site and/or taking action to recover the debt due. [Please see the guidance published by the Department for Communities and Local Government for more information.](#)

9. The amount of CIL liability in this notice is a local land charge

This CIL liability has been registered as a local land charge against the land affected by the planning permission in this notice. This charge will be removed on full payment.

10. New liability notices may be issued

Any change in the details contained in this notice (including calculation of the chargeable amount or amount of relief granted) will lead to the collecting authority issuing a new liability notice.
