Hi Janice

I agree that the condition ENGD2A can be removed in this case.

Subject: Y/112/14/HH - First Floor side extension at 68 Loveys Road, Yapton

Dear Paul,

The proposed application is to create a first floor addition above the existing garage. It seems unreasonable to apply the standard condition ENGD2A regarding surface water disposal. Can you confirm that in this instance the condition does not apply.

Regards
