Dear Miss Child,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under Y/44/17/OUT relating to conditions 7-drainage strategy, 8-proposed surface water drainage & 9-Suds maintenance system.

Stakers Farm North End Road Yapton BN18 0DU

Notification regarding the above application:

Condition Number 9

Development shall not commence until full details of the maintenance and management of the SuDS system is set out in a site-specific maintenance manual and submitted to, and approved in writing, by the Local Planning Authority. The manual is to include (a) details of financial management of the site including arrangements made in the event that the management company (or any subsequent management company) is no longer able to fulfil its duties; and (b) arrangements for the replacement of major components at the end of the manufacturers recommended design life.

Reason: To ensure the efficient maintenance and on-going operation of the SuDS system and to ensure the best practice in line with guidance set out in 'The SuDS Manual' CIRIA publication ref: C753 Chapter 32 and policy W DM3 of the Arun Local Plan. It is considered necessary for this to be a pre-commencement condition because surface water drainage goes to the heart of the planning permission.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

The detail submitted in respect of the drainage maintenance manual namely the "Drainage and SuDS Maintenance and Management Plan" (Revision C, 25/03/21) has been appraised by the Councils Drainage Engineers, is considered to be acceptable and satisfies the requirements of the condition. The condition is therefore fully discharged insofar as the submission of details relates and on the understanding that the site specific drainage scheme will be maintained in accordance with the

approved details.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
