Dear Mrs Leeson,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
Approval of details reserved by condition imposed under Y/24/20/PL relating to condition 5, part 3-
Verification Report.
Fresh Acres Nurseries Yapton Lane Yapton BN18 0AS

Notification regarding the above application:

Condition Number 5

Prior to commencement of the development hereby approved (or such other date or stage in development as may be agreed in writing with the Local Planning Authority), the following components of a scheme to deal with the risks associated with contamination of the site shall each be submitted to and approved in writing by the Local Planning Authority:

1. A 'Preliminary Risk Assessment' which has identified: all previous (historical) uses; potential contaminants associated with those uses; a conceptual model of the site indicating sources, pathways and receptors; and potentially unacceptable risks arising from contamination at the site.
2. A 'Site Investigation Scheme', based on (1) above to provide information for a detailed assessment of the risk to all receptors that may be affected, including those off site.
3. Based on the 'Site Investigation Scheme' and the detailed risk assessment (2), an options appraisal and remediation strategy giving full details of the remediation measures required and how they are to be undertaken.

A 'Verification Report' providing details of the data that will be collected in order to demonstrate that the works set out in (3) are complete and identifying any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action.

Note: Any changes to these components, (1) to (4) require the express written consent of the Local Planning Authority.

The scheme shall be implemented as approved above and, prior to commencement of any construction work (or such other date or stage in development as may be agreed in writing with the Local Planning Authority), a Verification Report demonstrating completion of the works set out in the

approved remediation strategy and the effectiveness of that remediation shall be submitted to and approved in writing by the Local Planning Authority. The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan to demonstrate that the site remediation criteria have been met. The report shall also include a 'long-term monitoring and maintenance plan' for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action, as identified in the verification report, and for the reporting of this in writing to the Local Planning Authority.

Reason: To protect the amenity of local residents in accordance with Policy QE DM4 of the Arun Local Plan 2011 - 2031.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

The submitted 'part 3 - Verification Report' by South Cost Contractors Ltd, based on Site Investigation and remediation strategy, ref: 4229(05/10/20) and Excavation Inspection Form dated 28/09/2020 have been assessed by the Council's Environmental Health Officer and are considered to satisfy the requirements of the condition. Therefore EH is able to discharge of condition.

The full condition is discharged since all required groundworks have been completed and verification report submitted and approved.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
