

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Arun District Council FAO: David Spring
FROM:	Stephen Gee WSCC - Highways Authority
DATE:	30 March 2020
LOCATION:	The Steddles North End Road Yapton BN18 0DT
SUBJECT:	Y/121/19/PL Demolition of existing dwelling & outbuildings & erection of 11 No. dwellings (net increase 10 units), access, landscaping & associated works
DATE OF SITE VISIT:	
RECOMMENDATION:	No Objection
S106 CONTRIBUTION TOTAL:	n/a

Additional information has been provided by the applicant including plans showing pedestrian provision at the site access which has been the subject of a stage audit.

Road Safety Audit

The applicant has provided a Stage 1 RSA for the site access, the audit identifies 6 issues all of which have been discussed with WSCC and appropriate action agreed to

Parking

The latest plan details the applicant is to provide a total of 29 space, the number of spaces and provision of EV spaces should be determined in accordance with Arun Parking Standards.

Conclusion

No objection is raised to the application subject to the following conditions:

Access (Access to be provided prior to first occupation)

No part of the development shall be first occupied until such time as the vehicular access serving the development has been constructed in accordance with the details shown on the drawing titled Proposed site plan and numbered 003 P06.

Reason: In the interests of road safety.

Vehicle parking and turning

No part of the development shall be first occupied until the vehicle parking and turning spaces have been constructed in accordance with the approved plan. These spaces shall thereafter be retained for their designated use.

Reason: To provide adequate on-site car parking and turning space for the development

Cycle parking

No part of the development shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with plans and details submitted to and approved by the Local Planning Authority.

Reason: To provide alternative travel options to the use of the car in accordance with current sustainable transport policies.

CONSTRUCTION

Construction Management Plan

No development shall take place, including any works of demolition, until a Construction Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters,

- the anticipated number, frequency and types of vehicles used during construction,
- the method of access and routing of vehicles during construction,
- the parking of vehicles by site operatives and visitors,
- the loading and unloading of plant, materials and waste,
- the storage of plant and materials used in construction of the development,
- the erection and maintenance of security hoarding,
- the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders),
- details of public engagement both prior to and during construction works.

Reason: In the interests of highway safety and the amenities of the area.

INFORMATIVES

Works within the Highway – Implementation Team

The applicant is required to obtain all appropriate consents from West Sussex County Council, as Highway Authority, to cover the off-site highway works. The applicant is requested to contact The Implementation Team Leader [REDACTED] to commence this process. The applicant is advised that it is an offence to undertake any works within the highway prior to the agreement being in place.

Temporary Developer Signage

The applicant is advised that the erection of temporary directional signage should be agreed with the Local Traffic Engineer prior to any signage being installed. The applicant should be aware that a charge will be applied for this service.
