App No Y/121/19/PL

Address The Steddles North End Road Yapton BN18 0DT

Proposal: Demolition of existing dwelling & outbuildings & erection of 11 No. dwellings (net increase 10 units), access, landscaping & associated works.

Updated comments for Bats 13.07.2020

Following submission of the Bat Survey (July 2020), we are happy that the mitigation proposed would be suitable. A condition should be used to ensure this takes place. The applicants should be aware that a Natural England Protected Species License will be required for the works, and this will need to be obtained prior to any works taking place

Kind Regards

Liz
