**Application for Planning Permission for Works or Extension to a Dwelling**

**Development:** Drop kerb

Thank you for your recent application which I received on 27th October 2020. It is being validated by Ms Iqraa Malik who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

#### CIL Additional Information Form

This application may be CIL liable, please complete and return the Form1 CIL Additional Information. The form and further information about CIL can be found on the website: [www.arun.gov.uk/cil](http://www.arun.gov.uk/cil)

#### Proposed Plan

The proposed plan you have submitted does not measure to scale. Please amend.

West Sussex County Council require that a visibility splay is provided. A splay is formed for a 30 mph speed limit road by measuring from a point 2.4m back from the kerb edge in the centre of the proposed access. A line should then be drawn from either side of this point for 43 m in each direction to the nearside edge of the carriage way. The splays must intersect and only within the control of the applicant, or within the publicly maintained highway.

The distance will increase with the speed limit of the road. If the road is 40 mph speed limit then the distance should be 120 m either side. For speeds above this please contact West Sussex County Council Highways for advice on what would be acceptable.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <http://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

Please provide the above by **13th November 2020** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

If you made a paper application and did not provide an email address, please could you do so to enable us to contact you swiftly with any queries or issues.

Yours sincerely

**Neil Crowther**
