Good evening

I am so sorry for miss understanding but apparently the file is an A3 file but the drawing is an A1 so if printed off as A1 apparently would be correct and the digital pdf your taking from is half the size. So they have now given this to me to send and hoping at last we have it right .

Kind regards

J GREGORY

Good afternoon,

I have measured the plans and they still do not measure to scale. I have attached a screenshot of the incorrect measurements. Please amend.

Kind Regards
Ms Malik

Good afternoon,

This application is still invalid as the plans do not measure to scale. The dimensions listed on the proposed plan are inaccurate and the scale bar on the location plan also does not measure to scale. Please amend.

Kind Regards
Ms Malik
