Hi Michael,

Thank you for your email below.

Redrow are not the position to be able to withdraw this application. The application for the discharge of this condition was submitted to run alongside application Y/123/21/PL in response to the concerns raised within previous reserved matters applications on the site, where the Council did not feel that they had the relevant drainage information to inform their decisions.

We would be happy to agree an extension of time for application Y/122/21/DOC until 24th November 2021 to allow this application to be considered alongside Y/123/21/PL.

Kind regards,

Tilly
