Scale Check :

The image shows four scale bars, each representing a different map scale. The first scale bar is for 1:250, showing distances from 0 to 60m in 10m increments, with each 10m segment further divided into 10cm increments. The second scale bar is for 1:100, showing distances from 0 to 5m in 1m increments, with each 1m segment further divided into 10cm increments. The third scale bar is for 1:50, showing distances from 0 to 20m in 10m increments, with each 10m segment further divided into 10cm increments. The fourth scale bar is for 1:500, showing distances from 0 to 20m in 10m increments, with each 10m segment further divided into 10cm increments.
