Plot 09

This architectural elevation rendering shows a row of residential houses. The houses are constructed with red brick and feature various roof styles, including gabled and hipped roofs. The houses are arranged in a row, with some having front gardens and others having side gardens. The houses are labeled with their respective plot numbers: Plot 46, Plots 47-50, Plot 51-54, Plot 55, Plot 56, Plot 57, Plot 58, Plot 59, Plot 60, and Plot 61-62. The houses are set against a blue sky with white clouds and a green lawn.

Architectural elevation drawing of a residential development. The drawing shows a row of six plots, each with a house. From left to right: Plot 36 (Hampstead) is a two-story house with a dark roof and a small porch; Plot 35 (Herby) is a two-story house with a dark roof and a small porch; Plot 34 (Sunningdale) is a two-story house with a dark roof and a small porch; Plot 33 (Herby) is a two-story house with a dark roof and a small porch; Plot 32 (Sunningdale) is a two-story house with a dark roof and a small porch; Plot 31 (Sunningdale) is a two-story house with a dark roof and a small porch. The drawing includes a boundary line and a scale bar.
