Dear Sirs

I would like to register my objection to this planning application.

I live on Bilsham Road, which already has too much traffic. Yapton has become the dumping ground of all new developments recently and the residents of the village are fed up. There is no infrastructure with regard to the school or Doctors surgery, neither has had capacity increased to cope with the increase of people to the village. We have at least 4 developments going on at the moment. Comet Corner is already an accident hotspot, with queues of traffic most times of the day, but especially at peak times. We don't need more houses in the village. We are losing all our green fields, public footpaths blocked for months by developers. This lovely village is becoming a housing estate.....please stop this development
