Dear Sirs

Planning Application Y/12/15/PL

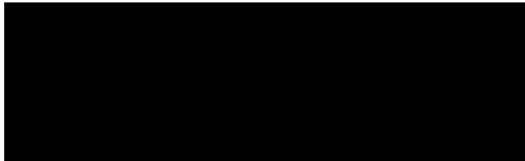

I am writing regarding the proposed development of the Old Coal Yard, North End Road, Yapton under the above reference.

I live at the above address, which is immediately next to the plot of land, so any development is obviously of interest and concern to me.

I would like to support the Application for the building of four houses which I believe would greatly enhance the appearance of the area. Two pairs of semi-detached houses would fit in well, as all the houses on either side of the plot [Railway Cottages and West Bank] are semis.

It would be infinitely preferable to the present use of the Old Coal Yard, and I hope the Planning Application will receive your support and be implemented.

Yours sincerely
