Dear Simon,

In relation to the above application, I have now reviewed Ground Management Ltd.'s Verification Report for Phases 1-2 (plots 9-12 and 14-20) (ref.: G6308-04/02, dated February 2019). Whilst the majority of the report seems satisfactory, I am not able to provide a formal response until I have assessed SoilFix's Completion Report (C411.PLT, dated November 2018), which is cited throughout the former document.

Many thanks,

Kate.
