Hi Tilly

Confirmation from the Auditor below.

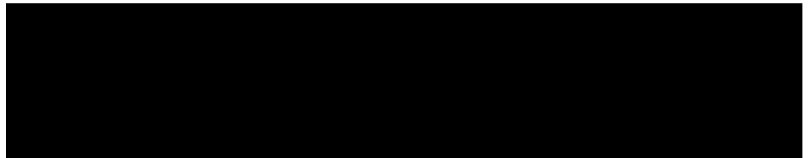

Do you need me to pull together a covering email tying it altogether?

Kind regards

Dear Dominic

Further to your email, I can confirm that I have reviewed the latest revised drawing, ref: ITB14679-GA-002 revision H and that the minor amendments do not raise any further items of Road Safety Audit concern.

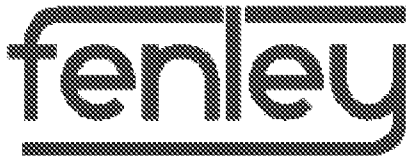

I trust that this is acceptable, should you require anything further, please do not hesitate to contact me.

Thank you again and kind regards

Jamie

Good afternoon Jamie

Further to the recent audit of Public Rights of Way through the Redrow site to the south of Ford Lane, Arun has requested that the cycle route be brought onto another alignment through the site. The change of route is identified below – it was previously on the blue line and will now instead run on the orange line.

As a result we've had to amend the drawings, although the changes are minor. In summary:

- Cycle link on the eastern boundary has been removed
- Directional signage for cyclists indicated to bring them onto the route
- Tactile has been replaced with corduroy paving to denote shared use cycle/ped route
- Some additional corduroy has been introduced at the confluence of the PROWs at the south of the state to establish what is pedestrian only and pedestrian/cycle routes.

Do you have any further comment to make on proposed arrangement?

Kind regards

Dominic
