Hi Nicola

Many thanks for your help on the phone earlier today.

I have spoken to British Gas who will be installing the charging point on the wall inside our garage. Details of the charger can be found here: <https://www.hivehome.com/shop/electric-vehicles>

Please find attached the following as requested;

1. location plan at a scale of 1:1250 or 1:2500 for rural areas.
- 2: Design and Access statement.
- 3: Floorplan showing location of garage and charging point in garage.
