Dear Ms Tomalova,

I would like to comment on this application.

1. I am the owner of the lane leading to "Maggies Meadow". This is an unmade farm track leading to 4 converted barns all privately owned. I have never permitted any kind of commercial enterprise or traffic to use it except for private post and deliveries.
2. This field is only just big enough to house 4/5 horses, fewer in very wet weather. There is certainly not space to build stables and a sandschool here, let alone provide turning and unloading for large vehicles.
3. Horse lorries can be enormous vehicles and landrovers and trailers can be very awkward to pass one another in a limited space.
- .4. Hoe Lane is a quiet,rural village lane,used by people, children and dogs. It is also popular with cyclists. It is not wide enough in its entire length to accommodate the sort of traffic intended here.

For these reasons I shall object to this application
