Dear Ms Tomalova

I am writing to object to this planning application.

Hoe Lane is a quiet country Lane which is used by cyclists and more importantly walkers especially families with young children on bikes and/or pushchairs. The added traffic this development would provide is detrimental to this narrow Lane, the safety of people walking and cycling in the Lane and would destroy the peace and tranquillity that so many people enjoy. The Lane is very narrow in places with few passing places especially at the lower end of the unadopted Lane. Here there is no tarmac and just used by the locals. This would be destroyed by horse boxes.

Thank you for your attention.

Yours sincerely

Ann Burns
