Subject: Y/138/20/DOC - Schedule of Site Monitoring/Supervision Visits and Reporting Procedures

Dear Planning

Thank you for your letter of 1st December and request for a schedule of site monitoring/supervision visits & reporting procedures.

Further to discussion with our arboricultural consultant (copied into this email) I can now confirm the following:

Schedule of Site Monitoring/Supervision Visits and Reporting Procedures

Site monitoring visits will be undertaken to ensure tree protection remains fit for purpose. These visits will be on a bimonthly basis for the duration of the 18 months build. A report summarising the visit will be sent to the Site Manager and Local Authority Tree Officer after each visit.

We trust this information is acceptable for your processing of the application to discharge Condition 8.

Best regards

Ian
