Hi Ian,

I agree that we have set a precedent with the other approval. I have asked Kate Giddings (EH) to confirm she therefore has no objection.

Kind Regards

Good Morning Simon,

Ref Condition 19; I've spoken with the manufacturer of the proposed solar bollard lights and due to the way the lights operate they are unable to produce a light spill diagram. I would point out though that these are the same bollards that haven't been approved under condition 26 of Y/5/17/OUT (see attached) and therefore it would seem reasonable that they are utilised in this part of the development?

Kind regards
Ian
