Hi Ros

Further to receipt of amended dwg 2076-TF-00-00-DR-L-3001-P10a confirming detail of the community orchard species mix, planning quantities and size at time of planting, I can confirm along with the maintenance and management details previously supplied that **I would recommend now the approval of the Open Space Obligation** on this site.

I note also that the play indicated adjacent to the orchard is purely an area of unequipped open space with play area contribution going offsite as previously 106 agreed.

Regards

Sue
