Dear Miss Little,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under ref Y/88/18/OUT relating to Condition Nos 6 - Construction & Environmental Management Plan, 7 - archaeological work, 12 - charging of electric vehicles, 14 - car parking, 15 - cycle parking, 16 - Travel Plan and 19 - decentralised & renewable energy

Land North of Yapton C of E Primary School North End Road Yapton

Notification regarding the above application:

Condition Number 6

No development shall take place, including any works of demolition, until a Construction & Environmental Management Plan has been submitted to and approved in writing by the Local Planning Authority (who shall consult with West Sussex County Council, Highways England and the Councils Environmental Health Officers). Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters:

- the anticipated number, frequency and types of vehicles used during construction,
- the method of access, number of and routing of vehicles during construction;
- the parking of vehicles by site operatives and visitors,
- the loading and unloading of plant, materials and waste,
- the storage of plant and materials used in construction of the development,
- the erection and maintenance of security hoarding,
- the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders),
- details of public engagement both prior to and during construction works,
- An indicative programme for carrying out of the works,
- Measures to minimise the noise (including vibration) generated by the construction process to include hours of work, proposed method of piling for foundations, the careful selection of plant and machinery

and use of noise mitigation barrier(s),

- Details of any floodlighting, including location, height, type and direction of light sources and intensity of illumination,
- Measures to control the emission of dust and dirt during construction,
- A scheme for recycling/disposing of waste resulting from demolition and construction works.

Reason: In the interests of the amenity of nearby residents & occupiers of any nearby noise sensitive premises, the general amenities of the area, in the interests of highway safety and in particular the free flow of the A27 Trunk Road in accordance with policies D DM1, QE SP1, QE DM1, QE DM2, QE DM3 and T SP1 of the Arun Local Plan and the National Planning Policy Framework. This is required to be a pre-commencement condition because it is necessary to have the site set-up agreed prior to access by construction staff.

Decision:

Arun District Council have decided to **APPROVE details reserved by this condition**

The submitted detail in respect of the Construction Management Plan (namely the "Construction Environmental Management Plan" by Dandara (Rev D, 08/01/21) is considered to provide an acceptable scheme and has been agreed by both WSCC Highways and ADC Environmental Health. It therefore satisfies the requirements of the condition. The condition is fully discharged insofar as the submission of details relates and on the understanding that the plan will be in force throughout the construction process.

It is also requested that local residents be provided with a named contact and telephone number for someone on site who they can contact with queries and concerns.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely

Neil Crowther
Group Head of Planning
