Dear Chris,

Application Y/146/20/RES is seeking fairly minor changes to the existing Reserved Matters approval Y/39/20/RES (the changes relate to the design/appearance of the houses). The route into the neighbouring site, Clays Farm (note no Reserved Matters yet submitted for Clays Farm) has already been approved by Y/39/20/RES and consists of a paved link suitable for cyclists/pedestrians at the western end of the site between plots 40 and 41.

This was in accordance with condition 24 on the Outline which stated that the applicant should include details of how the scheme will link with surrounding land.

I trust this answers your query.

Kind Regards

Hi Simon
The north west quadrant of yapton is being developed and it was promised that an off road nmu.
Route was going to be created across all sites
Looking at the plan for this site I cannot see where a north south route can be created
I believe that Claire Potts had an overview of all these developments
I look forward to getting an update
Cheers
