Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/146/20/RES
Site Address: Land at Street Buildings North End Road Yapton BN18 0DT
Description of works: Application for approval of reserved matters for the erection of 45 dwellings pursuant to Section 73 permission Y/13/18/PL (following the grant of outline planning permission Y/49/17/OUT) (resubmission following Y/39/20/RES). This application may affect the setting of a Listed Building.

Thank you for your internet representation made on 14th January 2021 which has been recorded as an objection with the comments as follows:

OWPC32881

North End Road has several developments happening at the moment. There is no requirement for an additional 45 houses on the grounds that they may be fore affordable housing unless they are offering discounts to local people. There is no infrastructure to accommodate the new builds that are happening. The School is too small as is the Drs Surgery - the local shops are small. North End Road itself is a single carriage road and yet it has heavy goods vehicles everyday. The School has no parking facilities and cars are parked everywhere - it is literally an accident waiting to happen. The roads are poor quality with pot holes everywhere and the drainage is no good - when you walk down the road after the rain you have to run otherwise get drenched by the cars/vans. The area is becoming over populated. The plan sees the probability of a listed building being lost or damaged. The additional pollution due to the extra vehicles is a safeguarding issue. Finally no one has looked out our telecommunication issues - BT has not updated its system properly since the 80's subsequently the download speeds for Broadband are below the national average. We need to look at our infrastructure before agreeing to any further developments. Thank you
