Good morning gents,

As promised, please see attached image taken just now on site at Yapton.
The existing wall has been fenced off as part of the site security however I have got to a corner point which is the closest I can get to it.

In person the bricks are a close match, the existing wall has obviously darkened with weathering and age.

Kind regards

Gents,

I will be on site tomorrow morning. I will take a picture myself and send straight away to you both.
Apologies for the wait Simon, I hope receiving it tomorrow morning will be ok?
