Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/152/20/RES
Site Address: Land at Bilsham Road Yapton
Description of works: Approval of reserved matters (appearance, landscaping, layout and scale) following the grant of Y/91/17/OUT for 250 No. dwellings with associated parking, road/footway/ cycleway provision, open space, landscaping, surface water attenuation & ancillary works.

Thank you for your internet representation made on 28th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33328

These are an unnecessary build. They already have planning for a fair amount of houses. This village is already turning into a housing estate. We do not have the facilities to support everyone moving to the area. We already struggle to get doctors appointments and children crammed into the local school and it's going to just get worse if these builders continue to buy land and build. I bought a house in the Six villages area in 1996 and moved again into the village and that's something I wanted to do live in a village not a town where I originally moved from. Please do not allow anymore building in Yapton there's land elsewhere with bigger areas to cope. The traffic in Yapton is horrendous as it is and where I live already gets used as a race track. Please stop this application.

Many thanks
Kind Regards
Helen Gardner
