Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/152/20/RES
Site Address: Land at Bilsham Road Yapton
Description of works: Approval of reserved matters (appearance, landscaping, layout and scale) following the grant of Y/91/17/OUT for 250 No. dwellings with associated parking, road/footway/ cycleway provision, open space, landscaping, surface water attenuation & ancillary works.

Thank you for your internet representation made on 31st January 2021 which has been recorded as an objection with the comments as follows:

OWPC33366

I really must object to this dreadful proposal of a housing estate on to agricultural land in Bilsham. The roads cannot cope with additional traffic far too dangerous a pull out onto an already dangerous road. The flight path of returning swifts and Swallows will be compromised. The resident slow worms will be killed. They are protected species. The resident bats in the adjacent trees and buildings are also protected. The local schools are full to bursting both the primary and secondary ones. The local doctors surgery is also full and cannot add any more patients. Re the road junctions at the end of Bisham road is an accident zone already even without an additional planned 250 houses. There needs to be traffic lights and there appears to be no money to erect those, despite the terrible accident rate.

Your views as made above will be considered before the application is determined.
